

School District MAEP Funding for FY2021

The columns below show the amount of state Mississippi Adequate Education Program (MAEP) funding each school district has been allocated for the 2020-2021 school year compared to the amount each would have received if fully funded according to state law. The last two columns in red show each district's shortfall (the amount below what is required by state law) for FY2021 and cumulatively since FY2008, the last time the MAEP was fully funded. Also shown is each district's funding increase/decrease from FY2020 to FY2021.
